1. INTRODUCTION

1.1 Purpose

This Driver's Handbook establishes the standards of conduct, sporting integrity, and professional behaviour expected from all registered drivers participating in the Championship.

The objective of this handbook is to:

- Ensure fair and respectful competition
- Maintain professional standards on and off track
- Promote sporting integrity
- Protect the reputation of the Championship
- Guarantee equal opportunity for all competitors

All drivers are required to read, understand, and comply with the provisions contained within this document.

Failure to comply may result in sporting or disciplinary penalties.

---

2. DRIVER CONDUCT & PROFESSIONALISM

2.1 General Behaviour

All drivers must:

- Compete with honesty and integrity
- Respect fellow competitors

- Respect race officials and stewards
- Avoid bringing the Championship into disrepute
- Display sportsmanship at all times

Unsportsmanlike conduct will not be tolerated.

2.2 Respect Toward Officials

Drivers must comply immediately with:

- Steward decisions
- Safety Car instructions
- Session control directives

Public criticism of officials in a defamatory or abusive manner may result in penalties.

2.3 Public Representation

Drivers are representatives of:

- Their team
- The Championship
- Official sponsors

Public communications (including social media, livestreams, interviews, and private Discord channels) must remain professional and respectful.

Prohibited behavior includes:

- Harassment
- Hate speech
- Discriminatory language
- Personal attacks
- Public accusations without evidence

---

3. ON-TRACK RACING STANDARDS

3.1 Racing Etiquette

Drivers must:

- Avoid avoidable contact
- Leave racing room when appropriate
- Defend fairly
- Avoid erratic driving

Aggressive driving that causes unnecessary incidents will be penalised.

3.2 Overtaking Guidelines

An overtaking maneuver is considered legitimate when:

- The attacking car has significant overlap before corner entry
- The move can be completed without forcing another driver off track

The defending driver may:

- Make one defensive move on a straight
- Return to the racing line if safe

Weaving or reactive blocking is prohibited.

3.3 Track Limits

Drivers must:

- Keep at least one wheel within track limits at all times
- Not gain lasting advantage by exceeding limits

Repeated violations may result in:

- Time penalties
- Drive-through penalties
- Post-race penalties

3.4 Rejoining the Track

If a driver leaves the track:

- They must rejoin safely
- They must not impede other drivers
- Unsafe rejoin causing collision will result in penalty

---

4. COLLISION RESPONSIBILITY

4.1 Avoidable Contact

If a driver causes avoidable contact resulting in:

- Damage

- Championship points deduction

4.2 First Lap Incidents

While first lap incidents may involve congestion, drivers remain responsible for:

- Controlled braking
- Spatial awareness
- Avoiding dive-bomb maneuvers

“First lap” is not an excuse for reckless behavior.

---

5. SAFETY CAR & VIRTUAL SAFETY CAR CONDUCT

During Safety Car (SC) or Virtual Safety Car (VSC):

Drivers must:

- Follow delta time requirements
- Avoid overtaking
- Maintain controlled pace
- Not brake test competitors

Restarts:

- Leader controls the pace after SC lights out
- Overtaking only permitted after control line

Jump starts or erratic acceleration may result in penalties.

---
